LEARN HOW TO

- WHEELIE
- IMPROVE YOUR BIKE CONTROL

FOR WHO

- TO MAKE A WHEELIE IS A COMBINATION OF BALANCE, CLUTCH AND THROTTLE CONTROL.
- MANY OF THOSE SKILLS THAT YOU LEARN AND IMPROVE AT THE WHEELIE ACADEMY CAN BE USED LATER ON IN YOUR DAILY MOTORCYCLE RIDING.

• STREET RIDING

Learn about bike control and safe riding techniques even with high speed and how to react in different situations.

• ENDURO

Make your enduro rides easier with tips and tricks that spare your energy and make the dirt track to an even better experience!

• ADVENTURE

Learn how to control your bike on all different kinds of ground.

• STUNT RIDING

Improve your stunt riding skills or just learn a cool new trick or two in a safe environment with trained professionals.
